

InterGlobix Magazine and Total Telecom, organizer of Internet Infrastructure events, enter into Media Partnership

The Media Partnership will ensure distribution of InterGlobix Magazine across UK and promotion of Total Telecom events to InterGlobix Magazine subscribers.

19 December 2018, Washington DC & London, UK – [InterGlobix LLC](#), a global solutions company focused on the convergence of datacenters, terrestrial and subsea fiber, and [Total Telecom Ltd.](#) a business media and global events company announced today that [InterGlobix Magazine](#), the first magazine of its kind focused on Datacenters, Connectivity, Luxury and Lifestyle, will be a Media Partner for the following Connectivity events to be held in London, UK:

- Submarine Networks EMEA, 12-13 February 2019
- Connected Britain, 18-19 June 2019
- Total Telecom Congress, 29-30 October 2019

“Total Telecom events in the UK cover a wide spectrum of Connectivity topics including Subsea, Terrestrial, Infrastructure, SmartCity, Strategy and Partnerships for the Telecom Industry. With our partnership with Total Telecom, the reach of our magazine will extend to the coveted datacenter and connectivity industry personnel in the UK”, said Jasmine Bedi, Founder and Editor-in-Chief of InterGlobix Magazine.

“We are glad to be supporting InterGlobix Magazine as a Media Partner. The concept of this publication is very intriguing and unique. We are looking forward to working together with InterGlobix Magazine”, said James Llewellyn, Marketing Manager of Total Telecom.

ABOUT INTERGLOBIX MAGAZINE

InterGlobix Magazine is industry’s premier datacenter and connectivity reference guide. It recognizes the key shapers behind this relatively young industry and delves deep into the lifestyle of the most successful industry personalities. It features behind-the-scenes stories at datacenter construction sites, looks into the emerging subsea ports, latest terrestrial and mobile industry innovations and keeps you in the know. Each luxury-packed issue offers a platform to our partners and clients to showcase their exclusive products and services to the coveted and elite high net worth individuals from the datacenter and connectivity industry.
