

# SUBMARINE NETWORKS

WORLD 2019

FOR IMMEDIATE RELEASE

September 13, 2019

## Facebook, Global Cloud Xchange, Telstra, InterGlobix and over 800 decision makers from the global subsea communications industry to gather in Singapore this month for Submarine Networks World 2019

**SINGAPORE:** Submarine Networks World, the world's largest annual submarine communications conference, returns for its 22<sup>nd</sup> edition later this month on 17 – 18 September at Suntec Convention Centre, Singapore.

This year's edition will be the largest edition of Submarine Networks World yet, with over 800 industry leaders from 60 countries expected to attend. More than 120 expert speakers from major projects and technology providers will share their insights across the 2 days, including:

- **Rahul Vijay**, Global Head of Connectivity and Telecom, **Uber**
- **Brian Mass**, CFO, **RTI**
- **Paul Abfalder**, Head of North Asia & Global Wholesale, **Telstra**
- **Dave Welch**, CIO & Co-Founder, **Infinera**
- **Bill Barney**, Chief Executive Officer, **Global Cloud Xchange**
- **Herve Fevrier**, Global Optical Architecture, **Facebook**
- **Mike Constable**, Chief Executive Officer, **Huawei Marine**
- **Funke Opeke**, CEO, **MAINOne**
- **Steve Alexander**, SVP & CTO, **Ciena**
- **Aurelien Vigano**, Director Transport and Network Support, **Orange**
- **Vinay Nagpal**, Executive Director, **IEIC** and President, **InterGlobix**

There will be 3 content tracks, covering strategy, technology and cable landing stations & data centres. In addition, more than 30 leading cable projects will be featured and explored in quick-fire project update sessions, detailed roundtable discussions and poster sessions. Projects confirmed for this year's edition include:

- **RTI Cable**
- **MAREA**
- **Pacific Light Cable Network**
- **SEA-ME-WE 5**

- **SAEx System**
- **HAWAIIKI**

Major market leaders from across the entire subsea communications value chain are confirmed to attend, including senior representatives from Amazon, Alibaba, Facebook, Ciena, Infinera, China Telecom, Digital Realty, IMDA Singapore, Singtel, Equinix, Globe Telecom, Uber, Telstra, Huawei Marine, Saudi Telecom Company, Vocus Communications and many more.
