

# NVTC and InterGlobix Announce Strategic Developments and Leadership Milestones in Virginia's Data Center and Cloud Community

*New appointments set to strengthen innovation and inclusivity within and beyond NVTC's Data Center and Cloud Community of Interest*

**McLean, Va. and Herndon, Va. (October 30, 2023)** – The Northern Virginia Technology Council (NVTC), the trade association representing the region's technology community, and InterGlobix LLC, a global consultancy, advisory, and media company focused on the convergence of data centers and terrestrial and subsea fiber, proudly announce progression and leadership enhancements within the NVTC Data Center and Cloud Community of Interest (COI).

## **Vinay Nagpal Joins the NVTC Board as a Senior Executive Advisor**

In a significant development, Vinay Nagpal, Chair of the NVTC Data Center and Cloud COI and CEO of InterGlobix, has been appointed to the NVTC Senior Executive Advisory Committee. His acclaimed industry experience and proven leadership in the global data center domain will bring pivotal insights and direction to NVTC's member experiences, research initiatives, and policy positions related to this important industry vertical.

"Being appointed to the NVTC Senior Executive Advisory Committee is a distinctive honor. I am excited to contribute more broadly to NVTC's monumental initiatives that continuously shape and elevate our region's technology community as a leading tech hub," said **Vinay Nagpal**.

## **New Leadership Appointments**

The NVTC Data Center and Cloud COI is pleased to announce the following new appointments to fortify its existing leadership structure:

- John Bean, Chief Legal Officer, EdgeCore Digital Infrastructure
- Stuart Dyer, First Vice President, Data Center Advisory, CBRE
- Wray Varley, Vice President, Government, Digital Realty

Each executive brings a wealth of experience and innovative leadership that will undoubtedly drive the community toward achieving new heights. NVTC's Data Center and Cloud COI endeavors to continuously innovate how the data center industry can leverage alternative energy sources, respond to increased demands due to the rise of AI, and contribute to economic growth. The addition of these industry stalwarts strengthens an already strong and engaged COI Leadership Board.

NVTC President and CEO **Jennifer Taylor** remarked, "Our tech community thrives when collaborative and innovative minds come together. With Vinay stepping up into a strategic advisory role for the NVTC Board of Directors and the addition of three esteemed professionals into our Data Center and Cloud COI, we are poised for unparalleled

advancements and successes. We look forward to an exciting year ahead full of new developments.”

### **Inclusive Leadership**
