

# InterGlobix wins Fast-Growing Company Award at the Second Annual Incredible Inc. 50 Awards

*Organized by the US India SME Council, the award recognizes InterGlobix's rapid growth in the global digital infrastructure sector.*

WASHINGTON and HERNDON, Va., **Sep. 25, 2023.** [InterGlobix LLC](#), a global consulting, advisory, and media company advancing digital infrastructure and driving economic growth, and [US India SME Council](#), a nonprofit and membership-based organization dedicated to serving the unique small and minority business community, announced that InterGlobix won the category of **“Fast-Growing, American-Owned Companies”** at the recently held Second Annual Incredible Inc. 50 Awards, which recognizes exceptional achievements of small and medium women- or minority-owned companies in the US and India.

In a short span of just over five years, InterGlobix has grown its services portfolio across both private and public sectors to include consultancy, advisory, event collaboration, and media / publication services within the digital infrastructure industry. Specifically in the public sector, InterGlobix collaborates with economic development authorities to facilitate regional economic growth. Offering services in six continents and headquartered in the US, InterGlobix has team members in the US, the UK, Germany, and India. InterGlobix's quarterly global publication, [InterGlobix Magazine](#), has become a favorite of the industry and is the brainchild of the company's President and the publication's Founder and Editor-in-Chief, Jasmine Bedi. In recognition of Jasmine's contributions to the industry and the community, the US India SME Council conferred Jasmine with **“The President's Volunteer Service Award.”**

“I congratulate InterGlobix and all its team members on being recognized for their exceptional work in the growth of digital infrastructure and economic development across various parts of the world,” said **Elisha Pulivarti, CEO of US India SME Council**. “InterGlobix's collaborations with both domestic and international organizations have been extremely impressive, opening doors for various companies in the US and beyond, too.”

“I am both humbled and honored for our company to be recognized with this Incredible Inc. 50 award, and I strongly appreciate the opportunity US India SME council has given us,” said **Vinay Nagpal, CEO of InterGlobix**. “I am also thankful to all my mentors, industry peers, and team members who have supported me in this journey, as they have been a key part of the company's success, and we wouldn't have made it this far without their support. We look forward to continuing to work with our community locally and globally to empower both the industry at large and other small, minority-owned businesses like us.”
