

InterGlobix and DE-CIX announce Strategic Partnership in North America, Europe, Middle East and India

**Partnership will focus on growing DE-CIX North American footprint and
penetrate further into the Indian Internet Infrastructure market.**

Herndon, Va. and Frankfurt, Germany – Sep. 24, 2019 /PRNewswire/ – [InterGlobix LLC](#), a global solutions company focused on the convergence of datacenters, terrestrial fiber and subsea fiber and [DE-CIX GmbH](#), the world’s leading Internet Exchange (IX) operator today announced that they have entered into a Strategic Business Partnership Agreement.

As part of this agreement, InterGlobix and DE-CIX will collaborate together on business development and strategic growth areas for DE-CIX. InterGlobix will provide strategic business development support for the growth and expansion of the DE-CIX Internet Exchanges in North America (Dallas and New York), India (Mumbai, Delhi, Chennai and Kolkata), as well as the DE-CIX hubs in Europe (Madrid and Marseille) and the Middle East (Istanbul and Dubai).

“With 18 IXs around the world deployed in 10 countries, DE-CIX is the world’s leading IX operator. DE-CIX has not only expanded its geographic presence globally but also launched innovative services such as DirectCLOUD, DirectROUTES and GlobePEER and GlobePEER remote and facilitated the development of new Interconnection hubs where subsea cables land. We are excited about this partnership and look forward to contributing towards DE-CIX’s growth internationally”, said Vinay Nagpal, President of InterGlobix and Executive Director of IEIC.

“Ever since its inception, DE-CIX has been motivated by the ambition to improve the quality of the Internet and access to information around the globe, and to grow new markets. InterGlobix is on the forefront of Internet infrastructure and leading the convergence of data centers, subsea and terrestrial fiber. We look forward to our partnership with InterGlobix and working together in various strategic areas of growth for DE-CIX globally,” said Ivo Ivanov, CEO of DE-CIX International.
